Please read the following and sign.

- Tuition payment is due the first week of each month and is the same whether you are absent or attending class. Tuition is the same price whether there are 3, 4, or 5 weeks in the month. There are no refunds for monthly tuition. We will try to allow make ups as much as possible, but remember make ups are based on class space availability. Please do not abuse make ups or we will be forced to stop them.
- Tuition must be paid by the 10th of the month or a late fee of \$10.00 will be added. If there is a problem you can call the Gail to work something out.
- **In order to drop a class and not be held responsible for your monthly tuition payments; you must give us written notice by the 15th of the previous month. Example, if you want to stop classes in December you must let us know by November 15th. There will be a form at the front desk that you will have to fill out. If we do not get this form you will be billed for monthly tuition. This has been a big problem in the past and we must go to this system. IT WILL BE ENFORCED.**
- You are welcome to take a month off; but understand that in order to hold your class spot you must pay your tuition for that month.
- Tuition payments should be put in your family envelope that is in your file folder. **Please put the envelope in the mail box that is above the file folders.**

I have read the TwistStars Tumbling Tuition Policies and understand them
